Find your POWER OF ONE!

- **Education Sessions** to tailor speeches to your audience, overcome writer's block, help your club thrive Lombardi-style, effectively evaluate, and learn about the exciting new Pathways program!
- Socialize with all your friends you haven't seen in awhile and meet new people! You might **learn some new dance moves** on Friday night or participate in the costume contest.
- Enjoy the food and desserts while you are simultaneously inspired by **Keynote Speakers Dr. Shawneequa Harris, Veronica Sites, John Carter, and Melinda Marcus**. The value the District is offering is worth more than the price of admission.
- Who among you wouldn't want to have everyone you know in the audience when you receive that special DTM medallion? Wow! Let's support our fellow Toastmasters at the **Saturday Night DTM Ceremony!**
- And same for our Humorous and Evaluation contestants. I saw a lot of these individuals perform at the Area and Division contests and I am telling you that the competition is fierce! I cannot wait to laugh until I cry again hearing the Humorous Speeches.
