Your Club Vote Needed!

YOUR CLUB HAS A VOICE AT THE TOASTMASTERS INTERNATIONAL CONVENTION

Toastmasters International is committed to enhancing the member experience. In order to do that, they need to know what members want. Every year, at the International Convention, TI holds its Annual Business Meeting where our top Leadership is elected and proposed changes to the bylaws are approved. Your club has **TWO** votes to cast in this meeting.

How does that happen? Who votes? Who am I voting for? What are the proposals?

Oh, so many questions. Robi Ley [gives the answers.](#)

It's your journey. Have a say in the direction it goes.

HELPING

HANDS

*"Helping hands, helping one another
I do all I can, with my helping hands"*

Helping Hands is a program for clubs with lower membership (not necessarily to 12) that need an extra boost of fresh ideas, evaluations, even speeches to make the club meetings stronger. The goal is to reenergize the existing members and help turn visitors into members.

The Helping Hands are 3 to 4 experienced Toastmasters who are willing to energize a club meeting for 3-4 consecutive meetings. Helping Hands must not be a member of the target club when the program begins.

For more details, check out the [Helping Hands Page](#).

Great Ideas for Clubs

In visiting 24 of the clubs in Division A, 2016-2017 Division A Director Suanna Davis learned Toastmasters clubs have different approaches and found many great ideas.

Not all of these can be implemented in every club, but all of them improved the functionality of the meetings in which they were demonstrated.
