## The Keys to Unlocking Your Potential, Part 12: Learn from your experiences

It has been a privilege and pleasure for me to serve you as District 25 Governor for 2008-2009. Together, we have unlocked our potential. Thank you for giving me this opportunity. Next month, we will start a new Toastmaster's year with new district officers. I welcome the new team and wish them much success in 2009-2010.

I have seen tremendous personal growth throughout the district this year and I have many success stories and lessons learned that will be a part of me forever. As we approach June 30, I want you to think about all the things you have experienced this year. What did you learn? What potential did you unlock? Each of us has untapped potential waiting to be unlocked through the lessons we learn from our personal experiences, whether good or bad.

I will never forget the phone call I received August of last year from a new Area Governor who

thought he could not do the job. Rather than give up, he found the courage to unlock his potential and amazingly led his area to distinguished status. What a wonderful success story. I'm sure he learned many lessons from his experience. Perhaps one of them is that perseverance pays off in the end.

As a district, we had some challenges in membership and new club growth, as did over 70% of all Toastmaster districts this year. However, we learned to build teams and focus on quality making our district stronger with quality clubs of which we can all be proud. This experience taught us the importance of teamwork; and in Toastmasters, there is always someone who's willing to help. I appreciate everyone who stepped in to meet this challenge. Our district will always thrive because of the servant leaders among us.

Now as we transition to our new leadership team, there's still more to do and much more to learn. As we race to BEAT THE

**CLOCK** to June 30, remember that whatever the goal or task, perseverance pays off in the end and Toastmasters working together as a team will always be successful.

Congratulations to all of you who unlocked your potential and completed all of your goals for this year. I am honored to have served you as District 25 Governor and I wish you continued success in the years ahead.

## Toastmasters Leadership Institute: Something for everyone!

The Toastmasters Leadership Institute series is just around the corner and June 13 kicks it all off. Your club officers will attend the TLI this year to stay abreast of the latest standards for each of their roles. However, the TLI is not just for club officers!

Aside from officer training the Toastmasters Leadership Institute offers a number of great training opportunities for each club member. All of the classes offer unique insights into areas that you can use both in Toastmasters and within your career. To make it even better, if you are a club member, the classes are **all free!**

Are you interested in obtaining your Advanced Leader Silver award? If so, then check out the class **Becoming a Club Coach or Mentor**. Maybe you are interested in your next job promotion or serving the club as an officer next year. In that case you might want to check out **Leadership 101**. Both of these classes run concurrently with the club officer training in the early morning. Should you wish to come in a little later there is a passel of great classes to choose from.

Are you looking forward to becoming a better evaluator? Are the evaluations you are getting missing something? In either case you will learn something new at **Evaluation Oreos**. Rick Sharon always has great tips and presentations. Is the Competent Leadership manual confusing? Then take Maurice Taitt's course, **Demystifying the New CL Manual**.

Are you looking forward to representing your club at the Humorous Speech Contest in the fall? You will want to see funny man and District 25 International Speech Winner Mark Bilgere present **A Funny Thing Happened**. You will probably want to stay for **Judges Training** – get a leg up on your fellow competitors by knowing what judges look for. You also get to practice with presentations made at previous World Championship of Public Speaking contests!

Registration is easy at <http://d25toastmasters.org/tli/index.htm>. Full TLI sessions will be held on June 13 (see below), July 11, and August 1. If you are going to speak at a Showcase make sure to sign up early as they fill up fast. Take advantage of these classes and forums, sign up for all of the TLI dates and get the most out of this year's training.

### Never give up an Opportunity to Speak! ~ Submitted by David Leake, CC/AL-B

One of my dear Toastmaster friends Louise Faircloth once told me to never give up an opportunity to speak. I had heard this phrase bounced around before but it had never resonated with me like it did with Louise.

Now I would like to challenge you with 3 reasons to take advantage of the Speakers Showcase offered at each of our full Toastmasters Leadership Institute (TLI) sessions.

- 1) Need to sneak in one more speech to help your club meet a DCP goal of another Competent Communicator or Advanced Communicator by June 30? Or jump-start your club in the new July term by finishing your CC or next AC.
- 2) Would you like the opportunity to practice speaking to a different audience than your club? This is a stellar opportunity to be evaluated by someone with fresh insight and no bias.
- 3) Is there a speech you gave in the past and would like to give again so you can incorporate the suggestions received in your evaluation? As long as it meets your manual objectives, I believe perfecting a speech leads to new growth after your first delivery was "pruned back a bit".

Sign me up! Register online to sign up at one of our full TLI sessions on June 13, July 11 or August 1. This is open to all Toastmasters and it is first come, first served, so **sign up today on the D25 TLI page**. Make sure to click the circle next to "Speakers Showcase" when you register. If you have any questions, please contact me at [david.leakeesabre.com](mailto:david.leakeesabre.com). Oh and don't forget to bring your manual!

Never give up an opportunity to speak! After all Toastmasters is not a spectator sport!

## Thanks for the memories!

When I look back at all the wonderful pictures that were taken of the Area, Division and District contests it makes me proud to be part of such a dynamic organization and district. The success of each contest is due to the extra mile that our members went. Each member that played a part in these contests increased their Toastmasters experience by attending and participating in their club, area, division and district fall 2008 and spring 2009 contests.

I want to encourage each of you that played a part in the success of one or more contests to continue to compete and volunteer in whatever capacity that will help you "Unlock Your Potential".

If you were a timer in the 2008-2009 year why not volunteer to be a contest chair in 2009-2010? If you were a contest judge why not attend chief judge's training and be a contest chief judge? If you have a humorous speech rattling around in your head, put it down on paper, practice it and get ready for the fall 2009 humorous speech contest season? If your club has never had a club contest, be the one to take the lead to make it happen.

Each contestant learned to polish that one incredible speech by editing it over and over to get just the right phrase, just the right joke, just the right timing, just the right gestures to WOW us as we were entertained, motivated and inspired by their presentations. Perhaps 2009-2010 is your year to compete.

I know from experience that all the time spent planning a contest is well worth the effort to learn new skills and make new friends. I hope to see lots of helpers from the 2008-2009 Toastmaster year take the lead to put on a great contest in the 2009-2010 year.

I hope these pictures bring back memories of some great Division contests.

**Division A:** What fun we had in Mineral Wells for both the fall and spring contests. Bonne Stroman puts on a great contest!

**Division B:** It was great to see all five area governors at the Division B contest! I know Steve Orthwein was proud.

**Division C:** We had "guests" from Texas Motor Speedway. What an incredible theme for a contest! Tammy Bailey shared her passion with us.

**Division D:** It is always a fun to travel to Waco for Division D. Baylor has lovely facilities! Thanks to Denise Corley for providing wonderful contests.

**Division E:** The incredible food (thanks to Claire & Henry Misquez), high attendance and outstanding club attendance always makes the Division E contests outstanding!

**Division F:** David Adams is from Division F. He won International Speech at Division F and Table Topics. Thanks again to Claire and Henry for the delicious

I want to thank each and every one of you for the wonderful memories.

## IBM recognized for Corporate Sponsorship

Toastmasters International identifies selected corporations for their support by providing the corporation with tangible recognition to show Toastmaster's appreciation. On May 1st, the eve of the D25 Spring Conference 2009, Toastmasters International Board Member Tim Swearingen, escorted by District 25 Governor Peggy Holloway, presented IBM with a Corporate Sponsorship plaque. The plaque reads "For Creating Value and Enhancing Employee Engagement through Continuing Support of the Toastmasters Communication and Leadership Program."

This honor was graciously accepted on behalf of the company by Bruce Church, VP Sector Sales, [ibm.com](http://ibm.com) Americas Centers. Mr. Church wholeheartedly supports the Toastmasters program and challenged the members to share their experiences with others within the company.

The plaque was presented at a special club meeting sponsored by the members of Talk Blue Toastmasters club in Coppell, TX.

District officers in attendance were District 25 Governor Peggy Holloway, Lt Governor Marketing Claire Misquez, Area 53 Governor Sally Linn and District 25 Secretary Marcheta Gardner.

## We Spread the Word

Wow, what a year in Public Relations for D25! I would like to extend my most sincere thanks to all the hard working Toastmasters that made this year a success. You have shown me tremendous dedication and support.. I appreciate not only the efforts that have been seen by the public in promoting Toastmasters but all the behind the scenes work that has gone into making our District great. Public relations begins at the grass roots level and blossoms into something that is for the greater good of Toastmasters as a whole. You all have made a significant contribution this year, whether it was posting fliers, hosting a booth at city-wide expos and fairs, or contributing to a myriad of publications including our very own "Key Factor". You have thought outside the box to come up with new and innovative ways to promote our District. I know that these opportunities will continue to pay off now and in the future. In addition, for all those of you who worked tirelessly at the Toastmasters store this year at the multiple TLI's and Conferences, your willingness to jump in at a moment's notice has been very much appreciated. I urge you to continue in your efforts to promote D25 Toastmasters at any and every opportunity, whether it is in a large or small capacity. Every chance we have to spread the word about Toastmasters is a chance to inspire a world with a higher capability to communicate more effectively with others and nurture the leadership capabilities that lie within all of us. I wish you all the best for the future and sincerely look forward to working with again soon.

With Sincerest Gratitude, David D. Martin, DTM D25 Public Relations Officer 2008-2009
