District 25 Awards

District 25 Director's Quality Award (ribbon)

The District 25 Director's Quality Award recognizes clubs that are *President's Distinguished* over a continuous 3-year period. This is the highest award a club can receive from the District. Clubs that are able to achieve and maintain this level of excellence year after year prove their commitment to their members and to the organization by signing up new members and nurturing them through the educational program. District 25 is proud to have these consistently high-achieving clubs in its District.

Kaizen Club Award (ribbon)

Kaizen is the Japanese art of continuous improvement. This concept stresses the need for continual improvement in order to achieve high levels of quality. At the club level, it is important to keep this in mind: If we are not doing anything to improve our clubs, we remain stagnant and eventually begin to backtrack. Each year, District 25 recognizes clubs that have been at least Distinguished for 3 years in a row. This is a major accomplishment for a club, and District 25 is proud to be able to recognize these clubs for their efforts both over the past year and in previous years. Clubs that are President's Distinguished 3 years in a row or longer receive the prestigious **District 25 Director's Quality Award**,
